EDUCATION

University of Texas at Arlington

Bachelor of Science in Computer Science

Arlington, TX

Exp. - May 2027

University of California, Irvine

Full Stack Development Certificate

Irvine, TX

Oct 2018 - Apr 2019

EXPERIENCE

Occupational Therapist

Signature Pointe Senior Care

Apr 2015 - Present

Dallas, TX

- Developed and managed personalized treatment plans for 10+ patients weekly, coordinating with physicians, nurses, and family members to ensure consistent care outcomes.
- Optimized patient progress tracking and documentation, cutting reporting time by 20% through adoption of streamlined digital record systems.
- Delivered training on adaptive tools and strategies to patients and families, translating complex medical information into clear, actionable steps.
- Supervised and mentored new staff and therapy students, providing guidance and oversight to maintain quality standards across the team.

PROJECTS

Management Dashboard | *React, TypeScript, PostgreSQL*

Nov 2024 - Present

- Built a full-stack executive dashboard application using React.js and Supabase.
- Developed for managing membership and event attendance to ensure club compliance with student board regulations.
- Sole contributor managing version control with GitHub for CI/CD.
- Responsible for database architecture, UI/UX design, and hosting website.

AI-Enhanced Encyclopedia (Pokedex) | *OpenAI API, React, Tailwind CSS*

Apr 2025 - May 2025

- Developed web app using OpenAI's API to process user input into structured prompts for querying external data.
- Integrated two 3rd party APIs seamlessly via prompt engineering and natural language processing.
- Deployed on Vercel using serverless edge functions, solving challenges in hosting Gemini API without a traditional backend.
- Designed as a proof-of-concept for hack-a-thon challenge for utilizing OpenAI API.

STUDENT ORGANIZATION

Treasurer - Mobi Byte (Web Development Club)

University of Texas at Arlington

Jan 2025 - Present

Arlington, TX

- Responsible for managing club finances, including taxes, budgeting, funding allocations, purchase approvals, and financial audits.
- Active engagement with overall club strategy, operations, and event planning as part of the leadership team.
- Mentoring new members on development practices and tools, fostering an inclusive learning environment.
- Design and leads technical workshops on web development topics to support member growth and engagement.
